Dear Luca

Joshua & I are very pleased
you are able to manage your trip to Stanford
this summer. We can well understand that Alba
is unable to come on this particular occasion.

As for housing we're sure that Len's secretary
will be quite efficient rounding up possibilities
that interest you. We of course expect you to
stay with us when you arrive, and will
naturally meet you at the airport. If you
let us know the details - Oh, as for wristes
from Italy Joshua still wants very much a pair
of ostrich gloves if obtainable

Ciao
Ann. Perlin
